Sir,

I have the honour to state that at the time of framing the budget estimates of the Board for 1931-32 the Executive Engineer proposed that the mileage allotment for the maintenance of certain roads may be increased as it was not possible to maintain the roads in an efficient condition with the present poor grant, to withstand the motor bus traffic. The subject was considered by the Board at their meeting held on the 22nd May 1931 and they have resolved that the mileage allotment of the marginally noted roads may be raised as noted against each. A copy of the resolution of the Board is enclosed for perusal. I request that sanction of Government may kindly be obtained to the proposal of of the Board.

1. Gulur-Honnudike road from 75 to 100.
2. Tiptur-Dudda road from 50 to 75 per mile.
3. Hiriyur-Huliyar road from 50 to 75 per mile.
4. Pavagada-Roddam road, from 50 to 75 per mile.
5. Doddahalli-Hosakote road from 50 to 75 per mile
